ANNUAL REPORT

OF THE
TOWN OFFICERS
OF THE TOWN OF

Stewartstown

NEW HAMPSHIRE

For the Year Ending January 31

BORDER PRESS, CANAAN, VT.

The State of New Hampshire

To the inhabitants of the town of Stewartstown qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on the second Tuesday of March next at 10 of the clock in the forenoon to act upon the following subjects:

- 1 To bring in your votes for Town Clerk for the year ensuing.
- 2 To choose one Selectman for three years ensuing.
- 3 To choose three Road Agents for the year ensuing.
- 4 To choose all other necessary town officers and agents for the year ensuing.
- 5 To see what sum of money the town will raise in addition to that required by law for repair of roads and bridges.
- 6 To see what sum of money the town will raise for winter roads.
- 7 To see what sum of money the town will raise for support of poor.
- 8 To see what sum of money the town will raise for street lighting.
- 9 To see what sum of money the town will raise to pay interest and apply on town debt.
- 10 To see what sum of money the town will raise for town charges.
- 11 To see what sum of money the town will raise for care of cemeteries.
- 12 To see if the town will vote to accept Highway State Aid.

ANNUAL REPORT TOWN OF STEWARTSTOWN

SUPERINTENDENT'S REPORT

Feb. 1, 1923 to Feb. 1, 1924

I am pleased to report at this time that our schools are making satisfactory progress. The teachers are working conscientiously for the welfare and advancement of the children, and their efforts are met by a ready response on the part of the pupils. In fact we are justified in saying that an excellent spirit of co-operation exists.

I have made 234 official visits to Stewartstown schools since Feb. 1, 1923. It is my purpose to watch the progress of the pupils, try to discover the particular needs of each one, and to work with the teachers for the interest and advancement of the children. As we become better acquainted with our pupils, both in school and outside, we shall be able to help them more and to gradually increase the efficiency of our schools.

About thirty young people from this town are attending high schools and academies in other places. They are doing very creditable work and thus merit our encouragement and whole hearted support. It is also very gratifying to note that our eighth grade pupils are working with interest and enthusiasm, and as far as I can ascertain, are nearly all planning to attend high school. It is certainly encouraging to see that our young people appreciate the value of education and are anxious to make the most of their opportunities. These facts should inspire the pupils of the lower grades to do their best work; while parents, teachers and school officials should cooperate in doing everything possible to promote the advancement of the children of today, who will, in the future, shape the destiny of the nation.

ANNUAL REPORT TOWN OF STEWARTSTOWN

Progress during the Year.

Another room has been finished at West Stewartstown and the building repaired. The new finish is attractive as well as substantial, and the building should remain in good condition for years. It is possible to do more for the children with three teachers than could be done with two.

Piper Hill school has been closed and the children transported to the village.

Last year only 45 percent of our teachers had had previous experience, while this year 80 percent of them have taught one year or more. In this respect we have made a distinct gain.

The percent of attendance for the year ending June 30, 1923 was 86 as compared with 81 the previous year. This record shows an improvement, but we should not be satisfied until we have over 90 percent. We can easily keep up an attendance record of 93 or 94 percent, if every one will do his or her part to eliminate unnecessary absence. Let's all work together for a better attendance record.

All of the rural schools have been furnished with up-to-date maps.

ANNUAL REPORT TOWN OF STEWARTSTOWN

Needs for the coming year

Some repairs at Riverside.

Most of the rural buildings need painting, and some need minor repairs.

Some new equipment is needed.

A more accurate classification of pupils, and more uniform system of text books is needed in the one room rural schools.

In closing, I wish to thank you all for your co-operation, and to extend to all my best wishes for a year with results as gratifying as those of the one just closed.

Respectfully submitted,

William F. Skelton, Supt.
